

HAPPY VALUE-TINE'S DAY!

- You're open to trying new things, especially new games.
- It's okay to share that I'm feeling sad.
- You listen A LOT.
- You accept me even if I make mistakes.
- Remember that time I tripped? You didn't laugh and that mattered.
- You respect my privacy.
- You're such a giving person and always willing to share.
- We end up cracking up at the same time. You're hilarious!
