

Magical Mad-Libs for your 1st Book Club meeting

Let's pick a name:

We'll be the (*color*) _____

(*plural animal*) _____!

Now for the rules. Just a few - so we can get to the fun.

Rule 1. We can share details about **our own lives**, but we won't say anything about friends, enemies, pets, or (*plural animal*) _____ that we wouldn't say in front of them.

Rule 2. Also, we'll keep each other's words **confidential**. Wild (*type of monster*) _____s couldn't drag it from us!

Rule 3. We want to really be present for these meetings, so no phones. We'll keep them in our (*type of container*) _____ or wherever, until it's time to go back home to our (*type of home, plural*) _____.

Any questions or ideas for other rules?
